## SUMMARY

Motivated Computer Science graduate with a strong foundation in Python, problem-solving, and debugging. Passionate about writing optimized code, learning new technologies, and developing innovative solutions. Seeking an entry-level software development role to contribute technical expertise and grow in a dynamic environment.

## EDUCATION

- Bachelor of Technology (B.Tech), Computer Science**  
Sree Dattha Institute of Engineering and Science, Hyderabad (2020 – 2024) **Percentage:** 68%
- Intermediate (Class 12)**  
Sri Gayatri Junior College, Hyderabad (2020) **Percentage:** 65%
- SSC (Class 10)**  
Bhashyam Grammar High School, Hyderabad (2018) **Percentage:** 77%

## INTERNSHIP

### CODETECH IT Solutions Private Limited

Jan 5th to Feb 20th 2025

- Debugged and resolved Python issues efficiently, showcasing problem-solving skills.
- Delivered Python programming tasks 20% faster than the average timeline, demonstrating strong time management and organizational skills."
- "Rapidly learned and applied new Python libraries and frameworks to complete assigned tasks, demonstrating a strong ability to adapt to new technologies."

## PROJECT

**Description :** This Project based on "JOB PORTAL".

Developed a dynamic Job Portal Website using Python and MySQL, streamlining job applications and improving database query efficiency by 20%. Designed an interactive UI for enhanced user experience.

### Tools :

- Backend :** Django – Ensuring secure and scalable server-side operations
- Frontend :** React.js – Created an intuitive and engaging UI.
- Database :** MySQL – Structured data management for seamless functionality.

This project streamlines the job application process, providing a user-friendly platform for job seekers and recruiters.

## TECHNICAL SKILLS

- Programming Languages :** Python, JavaScript
- Web Technologies :** HTML, CSS, React.js
- Databases :** MySQL, PostgreSQL, Oracle
- Backend Frameworks :** Django, Node.js
- Version Control & Tools :** Git, GitHub
- Other Skills :** Debugging, API Development, Problem Solving
